The rules of this tournament may be amended verbally or in writing at any time prior to the opening fishing day and will be posted on our website and Facebook page and reviewed at the Captains Meeting. Anglers are responsible for knowing all the rules.

This is a recreational boat tournament. You may only hold one place in each fish category in your division. A boat can only enter one fish per category.

FISHING AREAS Departure points: Tournament entrants must depart from and return to a port within the boundaries from Steinhatchee to Mexico Beach.

Tournament winners will be awarded their prizes, and all drawings will be held during the ceremonies held immediately after final weigh-in at Woolley Park.

In the event of a tie in weight, the winner shall be determined by the earliest weigh-in time.

All fish presented for weigh-in must be fresh, in edible condition, and must not have been frozen, and must be caught during tournament fishing hours.

Acceptability of fish will be determined by the Tournament Judge. All fish must adhere to recreational size and bag limits of the State of Florida.

Any angler who wins a prize may be subject to a polygraph test (lie-detector). The Tournament reserves the right to amend the lengths and/or remove any fish from competition, without notice, at any time in order to comply with federal and/or state requirements.

Electric reels are allowed but deck mounted winch devices ("one-armed bandits") are prohibited. No drone fishing is allowed.

Handling Fish being weighed in will be gut checked for any foreign objects, including but not limited to hooks, leaders, ice and bait; documented with the official weight and boat name and returned to the angler. We will not keep any fish, however there will be someone on site who will take the fish if you do not wish to keep them.

Lie Detector (polygraph) tests will be administered to randomly selected anglers at the tournament board's discretion. Individuals selected for the polygraph test must pass all portions of the test to be eligible to receive any prize. Failure to do so for any reason will result in immediate disqualification.

Rule violations, the eligibility of entrants or entered fish, disqualifications, and any other matters not specifically covered by these rules will be decided by the Tournament Judge in consultation with the Tournament Chairman. The Tournament Judge may disqualify any person who commits any violation of tournament rules. Decisions of the Tournament Judge are final and non-negotiable for all entrants.

Protests of any nature must be submitted to the Tournament Chairman in writing at the time the fish is being weighed. No protests will be accepted once a fish has been weighed and left the stage. Protests must be accompanied by a cash deposit of \$100.00 to be binding on the outcome of this tournament. An unsuccessful protest will forfeit the \$100.00 deposit.
